RESHAPING WELLNESS, DEFINING LUXURY

A NEW SAUNA CONCEPT **IS BORN**

Thermalux, a proud Belgian brand

Since 2009, Thermalux has been revolutionizing the classic sauna design into a modern, cube-shaped style. With a focus on innovation and continuous development, we constantly explore new materials and possibilities to create unique sauna designs. Each sauna we produce is not only visually appealing but also a technical wonder, incorporating high-level engineering. We strive for top quality in a world where luxury is a way of life. At Thermalux, we understand that a sauna is more than just a product; it is a lifestyle choice. That is why we prioritize customer satisfaction and offer a wide range of customization options to meet your specific requirements.

5 Collections

Choose from our 5 collections to embark on your personal sauna design journey. Opt for an aluminium cladding that matches the color of your home's windows or your patio cover. Or dare to be different with a luxurious golden sauna or one with an attached green storage room. If you prefer the Ibiza style, go for a sauna in Mortex®. And for those who love the warmth and natural charm of wood, we offer a selection of special colors to truly make your sauna stand out.

Your sauna, your style, your choice

Step into the future of saunas.

A revolution in sauna design – it's time for the second wave of innovation. While conventional saunas may share a common appearance, we challenge the status quo. Beyond its primary function as a relaxation haven, we believe aesthetics play a crucial role.

Dare to be different.

Dare to be different, as you can now tailor your sauna to reflect your unique style. Make a statement, craft a masterpiece! With a palette of over 50 exterior colors, the customization possibilities extend to glass, hinges, and doorknobs. We present a multitude of options, allowing you to personalize every aspect of your sauna experience.

A window of opportunities.

Every collection can be made in Finnish sauna, infrared sauna, combi sauna, steam room, sudorium, and configurations that seamlessly integrate storage or dressing rooms. Elevate your sauna further by incorporating a shower, creating a relaxing and personalized retreat.
